

IMAGERY ANALYSIS SERVICE

PRODUCTION BOARD MEETING

Thursday, 30 March 1972 - 1330

MEMBERS PRESENT

IAS NOTES

Ten Notes were reviewed and approved for publication.

POWER CONSERVATION

[redacted] read excerpts from HN [redacted] about the rising cost of electricity in the Agency. Employees were asked to make certain that equipment and lights are turned off at the close of day.

APPLICANT INTERVIEW GUIDELINES

[redacted] discussed criteria for selection of black candidates for P.I. positions and emphasized that they are to be given every consideration.

[redacted] suggested that if there is some question about an applicant's qualifications he may be invited in for an interview at Agency expense prior to complete processing.

ESCORTS FOR UNCLEARED PERSONS

Divisions/branches are asked to take responsibility for escorting uncleared personnel when they are working in their area.

FOREIGN TRAVEL PROJECTIONS

Six month foreign travel projections for period of July-December 1972 are due by 14 April. Members were asked to prepare justifications as they have in the past and turn them in to SB.

SECRET

PROJECT PRECIS CARDS

25X1A [] asked the members to review the sample machine-type
25X1A precis card which [] passed to them earlier in the week. This
new system will provide more flexibility and improve IAS capability for
recording and extracting project information. Members were told to
25X1A call [] if they have questions on this form preparatory to
approval at the next meeting.

MISSION SCHEDULES

NPIC's film is scheduled to arrive early Saturday morning. IAS
film will arrive late Saturday.

WORK SCHEDULING DURING COMPUTER RENOVATIONS

25X1A [] announced that NPIC computer services will be limited
(for a 45-60 day period) when the planned computer center renovations are
begun. Competition for the available time will require that priorities
be established for all computer customers. [] was tasked to meet
with IAS ADP team members on Monday and establish IAS priorities.
